

AMENDED SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS (*)

State the name, mailing address, including zip code, and account number, if any, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor", include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether husband, wife, both of them, or the marital community may be liable on each claim by placing an "H", "W", "J", or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent". If the claim is unliquidated, place an "X" in the column labeled "Unliquidated". If the claim is disputed, place an "X" in the column labeled "Disputed". (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules.

Check this box if debtor has no creditors holding unsecured non-priority claims to report on this Schedule F.

Subtotal F-4:

Undetermined

(1) The "Outstanding Stock Options" listed herein constitute equity securities under 11 U.S.C. § 101(16) and are subject to subordination under 11 U.S.C. § 510(b).
(2) The entries listed as "Vacation Earned But Not Yet Taken" reflected vacation earned but not taken due to the strike at the time of the filing of the original schedules of ASARCO LLC. The first amended set of schedules filed on April 24, 2006, modified the amount due under this category to \$0.00, because employees were able to take their earned vacation once the strike settled. Therefore, the Debtor does not believe that it owes any amounts for such vacation time, and to the extent that an employee asserts a claim for such vacation time, the Debtor disputes the claim.
